

November 5th/6th 2018 - register now!

inno-train has established a forum in Frankfurt focussing on molecular blood group typing. It is our pleasure to invite you to participate in this years international forum. For the fifth time already key opinion leaders in the field of immunohematology will present and discuss recent topics on RBC genotyping. The forum takes place over two days in the congress center of the Ininside Hotel Frankfurt Ostend.

During the come-together dinner after the first day the participants can exchange views among each other and the speakers.

The attendance fee of 195 Euro net include the catering during the forum and the dinner.

We are looking forward to a succesful 5th Molecular Blood Group Forum with exciting lectures and hope to welcome you in Frankfurt.
