*Terms and Conditions Apply

Purchase is subject to Molecular Devices standard terms and conditions of sale. Purchase order must reference promotion code **EU-FREEQD-LFPQ417** and must be received by **December 8, 2017** for delivery by December 20, 2017. Get a free SpectraMax QuickDrop Micro-Volume Spectrophotometer when you purchase a SpectraMax iD3 Multi-Mode Microplate Reader. The list price of the SpectraMax QuickDrop will be deducted on the quote as an overall package discount (where the package comprises a SpectraMax iD3 Multi-Mode Microplate Reader + SpectraMax QuickDrop), such that the discount is equivalent to the list price of the SpectraMax QuickDrop. The exact list price will vary depending on currency. The offer does not include any other options and accessories and applies to standard parts only. The offer does not include shipping and handling, installation or training. The offer cannot be combined with other promotions or discounts. No substitutions or swap outs are allowed. The offer is not convertible to cash. Offer is not valid for standing orders. All prices exclude local tax which is the responsibility of the customer. This promotion is valid only to customers in Europe when buying directly from Molecular Devices. Delivery terms are FCA (Free Carrier) Seller's shipping facility (Incoterms 2010) for both EU and non-EU countries. For non-EU countries customs clearance, charges, taxes and duties are the responsibility of the customer. Offer void where prohibited. All Molecular Devices products are for research use only. Other restrictions may apply. For our full standard terms and conditions of sale, please visit the Molecular Devices website.
